
Malene Rauhe

Curriculum Vitae

Illustrator & Graphic Designer Creative Art Director

I am born in Seoul, Korea 1970 – live and work Aarhus, Denmark. I started my illustration bureau in 2001 creating illustrations for books, posters and magazines on a freelance basis. My work embrace illustration, drawing, photography, painting, writing, graphic design, visual identities & branding and architectural concepts for exhibitions & museums.

For the past six years I've specialized in branding and design for software development conferences and events - the whole 'conference package' logo, look & feel, web, banner, social media campaigns, on-site photo & Instagram, stagedesign.

I love visual arts in all its shapes and forms. Passionate about the process of making, sketching & visual researching, tech trends, fashion, traveling and yoga
